### A message from the ETA President, Deb Erickson-Irons

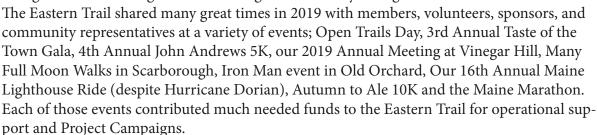

In these uncertain and unprecedented times when it seems like everything is changing, I want to reassure you that one constant is the commitment of the ETA to build, maintain, and promote the use of the Eastern Trail. We continue to do everything we can to encourage the Maine DOT and other partners to start the construction phase to complete the 1.6-mile "gap" in the off-road trail between South Portland and Scarborough. As of this January 20, over \$200,000 has been raised toward funding the survey and design for the section of trail planned between Kennebunk and Wells while we focus on bringing the trail South. We have updated our kiosks for the benefit of our trail users and have responded to the need to practice Covid-19 precautions due to record-high numbers of users on the trail.

We know that the Eastern Trail is of benefit to all who walk or ride on it, and that its use contributes to the economic well-being of the communities that are located on the trail. While we learn to live with the current pandemic and the eventual post-pandemic reality, we promise to stay focused on the incomparable resource that is the Eastern Trail.

Best wishes for your continued health and well-being. See you on the trail!

### A message from the ETA Executive Director, Nancy Borg

How I wish we could be sharing a toast to the Eastern Trail at Vinegar Hill celebrating another exciting and eventful year together.

In addition to these outings, we also updated our Website, welcomed several new board members with a diverse list of talents and experience, and revitalized our trail kiosks for a cleaner, current, and accessible representation of our trail.

The Eastern Trail has proven to our communities how important of a resource this is for our mental health and physical well being. Never has this been truer than the spring of 2020.

As a valuable member of the Eastern Trail, thank you. The best is yet to come!

### **In Memoriam**

**Jim Munroe**— We lost a dear friend of the Eastern Trail this past month. Jim Munroe has been a board member from the moment he was asked to join by John Andrews. John saw Jim's enthusiasm and dedication to the trail. Jim was always thinking of what new events we could introduce to help more people gain awareness of the trail. Thank you, Jim, for your many years of service as an active board member of the Eastern Trail Alliance.

### A message from the ETMD Executive Director, Carole Brush

It seems like only yesterday that I connected with the Eastern Trail Alliance and Management District. It's hard to believe it's been twelve years. Time truly does fly when you're having fun!

For the first time in 20 years we have three projects underway to add more miles to this wonderful resource – all in different stages of development at the same time. We are "Closing the Gap" (CTG) between South Portland and Scarborough and actively moving forward as we head "Over the River" (OTR) to connect Saco and Biddeford and through the woods "Blazing the Trail South" (BTTS) to continue our path south from Kennebunk through Wells, North & South Berwick.

None of this would have been possible without the vision, dedication and energy of our founder, John Andrews, and the support of each and every one of you. I am constantly awed and inspired by all the truly wonderful people I continue to meet who are so committed to our mission of completing this beautiful resource. I hope you will join me as we turn these 22 off-road miles into 44 and then 65!

It won't happen overnight, but when these sections are constructed, we will have 80% of the off-road trail completed and "pave" or "unpave" the way to complete the final miles taking us to the New Hampshire border.

The existing sections of off-road trail were constructed with Federal, State and Municipal funds. As the demand for trails increased, and the federal and state \$ decreased, we recognized that "It will take a village"— or, more likely, several cooperating and coordinated villages— to add more miles.

Thank you – I am honored to be part of this amazing vision – continuing to add more miles and smiles as we Blaze the Trail South!

### Message from ETA Treasurer, Ralph Hiltz

Financially, 2019 was a good year, with revenues exceeding expenses by \$93K.

Major reasons: donations toward the fund drive to "Blazing the Trail South" and a \$20,000 donation from the Maine Marathon 2019. You will see those under the revenue category, "Donations" and "Blazing the Trail South."

Our major fundraiser every year, The Maine Lighthouse Ride, had a revenue shortfall of \$39K, but that was partially offset by lower expenses of only \$15K. Reason for the shortfall was Hurricane Dorian, which cut the usual number of riders from 1,200 to only 750.

Overall, 2019 was a still a good year, primarily because of the excellent effort by our ETA staff and our energetic and adtive volunteers.
