

was the consensus of the meeting to invite Dan Stewart to attend the next ETMD meeting to gain his perspective on the proposed US Bike Rte 1.

7. After a dialog, it was agreed that each trustee will submit an article to editor John Andrews for the winter 2010 Annual ETMD Newsletter by 15 Nov. To be mailed with a letter requesting that towns budget their annual dues payment during the first two weeks of January 2010.

8. Because Unutil has been bringing safety problems caused by non-ET-related individuals to the attention of ETMD, a plan was proposed to organize a meeting of all ET corridor town public works departments and invite Unutil to attend and to provide safety guidelines. Some incidents were reported: Apparently an IF&W biologist drove stakes into the pipeline corridor as part of a study to collect data on bats. It was reported that Brown Industrial Group dropped large trees on top of the pipeline as part of the KAB project that is being monitored by GSGT and MDOT.

9. Jessica Wagner reported that OOB and Scarborough PD's were awarded a grant to police ATV trespass on the ET and that because the money has been spent, monitoring has ended. Bob LaNigra and John Andrews reported that recent ATV trespassing has resulted in surface damage. No motions.

10. Because the 2nd Wednesday in November is Veterans Day, and Kennebunk Town Hall will be closed, the meeting consensus was to investigate holding the meeting at North Dam Mill in Biddeford on November 4, a week early, avoding the holiday and allowing Trustees the opportunity to visit the ET office. Carole Brush will investigate.

11. At 10:35, Dan Letelier moved adjournment. Harry Tomah seconded. Unanimous. Next meeting target plan: 4 November at 8:30 am in North Dam Mill, Biddeford.

Respectfully submitted,

John Andrews,
ETMD Secretary

Minutes of 14 October 2009

Kennebunk Town Hall

Trustee Attendance:

Kittery	-
Elliot	-
S. Berwick	Terrence Parker
N. Berwick	-
Wells	Harry Tomah
Kennebunk	Mike Claus
Arundel	Tad Redway
Biddeford	Dan Letelier
Saco	Bob Hamblen, President
Old Orchard Beach	Jessica Wagner, Vice President
Scarborough	Bill Reichl
South Portland	-
ETA 1	John Andrews, Sect/Treas
ETA 2	Bob LaNigra
ETA 3	-

Executive Director

Carole Brush

1. Chairman Hamblen called the meeting to order at 8:37 A.M.
2. Harry Tomah moved acceptance of the August Minutes (There was no September meeting.) Jessica Wagner seconded. Unanimously approved.
3. Carole reported KAB & Saco-OOB project. Both projects are pretty close to plans with about a two-week slip on the Saco-OOB project.
4. John Andrews moved ETMD extend its lease for office space by two more years at \$105 per month. Seconded by Bob LaNigra. Unanimously approved.
5. Terrence Parker reported on ETMAP website progress. The on-line interactive map will have 50 viewable bubbles. It was agreed by consensus to award the development contract to Black Fly Interactive of Rollingsford, NH with an included \$200 annual support fee. Each town will be required to produce photos of their selected town points of interest and supporting text. It is currently assumed that an intern will add each point of interest to the on-line map.
6. Trustees conducted a dialog on what to do with the on-road ET as the off-road ET become more and more available. The dialog included how to work with the proposed US Bike Rte 1 that some assume will follow what was defined as the original all on-road ET. There was strong support for the continued marking of an on-road, mostly paved ET route for those skinny tire bike riders who may not be seeking an off-road quiet ride. It
